

## **“Seasons Greetings”**

**On this December, two thousand nine  
Once again it is Christmas time  
It is our wish that all is well  
Gifting, celebrations, cast a magic spell**

**Although the times may seem unstable  
May all things prosper at your table  
‘Love and Peace – Comfort and Joy’  
To every man and woman, to every girl and boy**

**Everyone in our family is doing just fine  
The Jacksons, the Burghardts – right down the line  
Suzy & Brent, Sam & Naomi; all doing their thing  
Cheryl & David, Peter, Emma & Maddy; like birds on the wing**

**To our friends, to our acquaintances and to our family  
Our thoughts and good tidings we send to thee  
A ‘Joyous Christmas and a Happy New Year’  
In our hearts we will always hold you all very dear**

**Carol and Ray, December 2009**
